

National Churches Trust Partnership Grants application

Please provide the following information, which is required to complete the NCT Partnership Grant application form. Your answers do not need to be long but should include all relevant information.

- Does the church have a routine maintenance programme?
- How many days a year is the church open for visitors outside usual services?
- Is there disabled access?
- Is the church used by the wider community for events and activities?
- If so, who uses it, how is it used and how often?
- Do you have a village hall that traditionally hosts these activities rather than the church?
- What activities and events are organised by the church community for the benefit of the wider community?
- How would a NCT Partnership Grant facilitate how the church is used for worship and by the community?
